

星めぐりの歌

宮澤賢治曲

Allegretto

Can you see the red eyed Scorpion?
Can you see the cloud of Andromeda

And the Eagle spreads his wings so wide
Looking just like the lips of a

fish Over there the blue-eyed young Puppy
See the Mama Bear's pawn up in the

north, See the coiled up Serpent of the
Take five steps south and you will

light Orion sings from far away
find The shining Little Cub's head is the

key It drops it's dew and frost from the sky
Guiding us to the soul of the sky
